

City of Emporia Emporia Industrial Development Authority Machinery & Tools Investment Grant

Background and Purpose:

The Machinery & Tools (M&T) Investment Grant Program is an initiative of the City of Emporia and Emporia Industrial Development Authority (IDA) aimed at assisting both new and expanding businesses within the Enterprise Zone (EZ) area.

Guidelines:

- Grants will be made to new or expanding businesses based on the net increase in M&T tax paid over the initial base year for the first 10 years of eligibility according to the following schedule:
 - Year 1 = 50%
 - Year 2 = 50%
 - Year 3 = 50%
 - Year 4 = 50%
 - Year 5 = 50%
 - Year 6 = 50%
 - Year 7 = 50%
 - Year 8 = 50%
 - Year 9 = 50%
 - Year 10 = 50%

- “Initial base year” is defined as the tax year prior to a new business locating to the City or an existing business investing in new machinery and tools that are subject to taxation.

- “New businesses” are defined as those businesses that have never previously had a business presence within the corporate limits of Emporia nor have had a business license issued by the City of Emporia. An individual or individuals who previously operated a business within the corporate limits of Emporia and were issued a City business license under a different business name are excluded from receiving grant funds, unless the new business formed is substantially different (goods sold, services provided, etc.) than the business that previously existed.

- Applicant and property owner must be current on all taxes and fees owed to the City.

- No minimum investment or job creation is required.

- City staff has the authority to interpret guidelines and impose additional conditions as deemed necessary.

Application and Reimbursement Process:

1. Applicant submits a letter to the EZ Administrator no later than September 1st each year requesting reimbursement of 50% of M&T tax paid that tax year over the initial base year. Letter shall state the total M&T investment and in-service date. Applicant must submit a reimbursement request letter to the EZ Administrator each year the reimbursement is requested within the 10 year eligibility period.
2. EZ Administrator verifies the business is located within the EZ area.
3. EZ Administrator checks with Treasurer's Office to verify whether the applicant and property owner is delinquent on any taxes or fees owed to the City.
4. EZ Administrator contacts the Commissioner of Revenue to verify the net increase in M&T tax paid that tax year over the initial base year.
5. Commissioner of Revenue verifies the net increase in M&T tax paid that tax year over the initial base year via written correspondence to the EZ Administrator, City Manager, and IDA Treasurer.
6. City Council is requested to adopt an ordinance appropriating funds to the IDA to cover the amount of the grant.
7. IDA Treasurer issues M&T grant check after City Council appropriates funds to the IDA.
8. EZ Administrator sends check to applicant.
