Absent:

1. Water and Sewer Multiunit Connection Fees – Request to Amend City Code

Mr. Thrower stated that at Council, July 15, 2014 meeting Council requested staff to develop options regarding how multiunit connection fees should be applied to various types of development. He also stated that per City Code Sections 78-72 and 78-188, developers are currently charged \$1,000.00 per unit within a multiunit development for each water tap, and \$2,000.00 per unit within a multiunit development for each sewer tap, for a total of \$3,000.00 per unit. He further stated that these per unit connection fees are in addition to standard water and sewer taps fees charged. He stated that the minimum water tap charge is \$3,000.00. He also stated that the minimum sewer tap charge is \$4,000.00.

Mr. Thrower reported per Council's, direction from the September 2, 2014 meeting, an ordinance amending both the aforementioned City Code sections to clarify the charge to various types of development. He also reported that the proposed fees were as follows:

- Single-family dwellings will be charged a \$3,000.00 water tap fee and a \$4,000.00 sewer fee. These are the current fees for single-family dwellings.
- Two-family and multiple-family dwellings will be charged a \$3,000.00 water tap fee plus \$1,000.00 per dwelling unit and a \$4,000.00 sewer tap fee plus \$2,000.00 per dwelling unit. These are the current fees for these dwellings.
- Lodging facilities, i.e. hotels, motels, recreational vehicle parks, etc., will be charged a \$5,000.00 water tap fee (\$3,000.00 water tap fee plus a \$2,000.00 maximum per room/space connection fee) and an \$8,000.00 sewer tap fee (\$4,000 sewer tap fee plus a \$4,000.00 maximum per room/space connection fee).
- All other types of development will be charged the current \$3,000.00 water tap fee and \$4,000.00 sewer tap fee.
- Developers will continue to be charged the difference in materials cost for any water and sewer taps exceeding the standard size.

Mr. Thrower stated that he recommends Council, to adopt the ordinance amending City Code Sections 78-72 and 78-188 as it applies to water and sewer tap fees.

Mayor Person asked if there was anyone present who wished to speak regarding this matter.

Clinton Slate, of 103 Beech Tree Lane, Emporia, Virginia addressed Council stating that his concern was when the water and sewer tap fees are due up front before you can get a building permit.

With there being no more comments to come before City Council, Mayor Person declared the first public hearing closed and proceeded to the second public hearing.

2. Transient Lodging Tax – Request to Amend City Code

Mr. Thrower stated that per State Code Section 58.1-3840, “any city or town having general taxing powers established by charter pursuant to or consistent with the provisions of Section 15.2-1104 may impose excise taxes on cigarettes, admissions, transient room rentals, meals, and travel campgrounds.” He also stated that as such he is proposing that Council amend City Code to allow for the imposition of excise taxes on “travel campgrounds,” as is already done with other lodging facilities such as motels and hotels. He further stated that a “travel campground” means but is not limited to a “recreational vehicle park” as defined in City Code Section 90-1.

Mr. Thrower stated that he recommended that Council, adopt the ordinance amending the City Code Sections 70-256, 70-258, 70-261, and 70-266 as it applies to the transient lodging tax.

Mayor Person asked if there was anyone present who wished to speak regarding this matter.

With there being no further comments to come before City Council, Mayor Person declared the second public hearing closed and proceeded to the third public hearing.

3. Smoove Operators – Request to Revoke Conditional Use Permit

Mr. Thrower reported that at the March 19, 2013 meeting Council approved a Conditional Use Permit for Smoove Operators to operate a “nightclub” at 773 N. Main Street. He also reported that per Section 90-1 of City Zoning Code, a “nightclub” is defined as “an establishment for evening entertainment, generally open until the early morning hours that serves liquor and usually food and offers patrons music, comedy acts, a floor show, or dancing.” He further stated that the Conditional Use Permit approved, stipulated an initial six month review by City Council with annual reviews thereafter.

Mr. Thrower stated that a list of incidents have occurred at Smoove Operators since January 2013. He also stated that many of these incidents involve noise complaints from residents, crowds in the parking lot, and patrons fighting. He further stated that most of these incidents occurred in the early morning hours. He reported that he recently received a written complaint from an adjacent resident regarding continued loud music and noise coming from the property, as well as patrons fighting in the road and in her front yard.

Mr. Thrower stated that Chief Wyatt and himself recommended that Smoove Operators’ Conditional Use Permit to operate a “nightclub” be revoked. He also stated that this recommendation is primarily attributed to the number of noise complaints received from residents in the immediate area and Smoove Operators’ close proximity to residential properties. He further stated that residential properties are located directly across and behind the streets from Smoove Operators. He stated that apartment units are also located beside the property.

Mayor Person asked if there was anyone present who wished to speak regarding this matter.

Tim Yates, of 773 N Main Street, Emporia, Virginia addressed Council stating that the noise complaint at Smoove Operators has been taken care of by asking the DJ not to use the bass. He also stated that some of the complaint took place when Smoove Operators was closed, but yet he is held responsible for them.

Paul Grizzard, of 304 Echols Street, Emporia, Virginia, addressed Council stating that he has been to Smoove Operators on many occasions and has never had a problem. He also stated that the other businesses that had been there also had noise. He further stated that the City Police sits across the street and watch the place, but they can’t produce an arrest report that had happened there.

Jacquelyn Coleman, of 3571 Reedy Creek Road, Freeman, Virginia, addressed Council stating that Smoove Operators is an establishment where everyone can enjoy their self. She also stated that there is going to be noise everywhere so it’s not fair to take it out on Mr. Yates. She further stated that she also noticed the police sitting across the street and watching the place.

Lori King, of 509 Peachtree Street, Emporia, Virginia, addressed Council stating that if the noise ordinance is going to be enforced then make sure that it is enforced all across the board.

Jeffrey Powell, of 4284 Independence Church Road, Emporia, Virginia, addressed Council stating that he is one of the DJ for Smoove Operators and that Mr. Yates did ask him to tone the music down to volume.

Natasha Johnson, of 4326 Slagle Lakes Road, Emporia, Virginia, addressed Council stating that she has seen that Mr. Yates was addressing the noise issues.

Robert Wyche, Emporia, Virginia, addressed Council stating that he is concerned with the number of police office that sit outside of the club.

Robert Mullins, of 603 Park Avenue, Emporia, Virginia, addressed Council stating that it is only one shift from the Emporia Police department that sits outside of Smoove Operators consistently.

Carol Grizzard, of 304 Echols Street, Emporia, Virginia, addressed Council stating that Smoove Operators is a nice place to go. She also stated that she has also watched a police officer sit and watch the building.

Christopher Washington, Emporia, Virginia, addressed Council stating to give Mr. Yates opportunity to clean up the problems before closing the business down.

Freddie Green, of 1048 N Main Street, Emporia, Virginia, addressed Council stating that he lives adjacent to Smoove Operators, and he doesn't hear any noise coming from the building. He also stated that it is a nice place to go and enjoy yourself. He further stated that he have watched the police sit and watch the business.

With there being no further comments to come before City Council, Mayor Person declared the third public hearing closed.

Mary L. Person, Mayor

Tessie S. Wilkins, City Clerk

14-74. Smoove Operators – Request to Revoke Conditional Use Permit

Mr. Thrower stated that this item was the subject of the public hearing previously held.

Mr. Thrower stated that Chief Wyatt, and himself recommended that Smoove Operators' Conditional Use Permit to operate a "nightclub" be revoked. He also stated that this recommendation was primarily attributed to the number of noise complaints received from residents in the immediate area and Smoove Operators' close proximity to residential properties. He further stated that residential properties were located directly across and behind the streets from Smoove Operators. He stated that apartment units were also located beside the property.

Councilwoman White made a motion to continue the Conditional Use Permit at Smoove Operators with a 12 months review, seconded by Councilwoman Mercer, which passed as follows:

14-75. 2014B General Obligation Bond – Request to Adopt Resolution

Mr. Thrower stated that Davenport & Company, LLC, serving as Financial Advisor to the City, distributed a Request for Proposals (the "RFP") for the issuance of a 2014B General Obligation Bond in an amount not to exceed \$1,800,000.00 for the Wastewater Treatment Plant Solids Handling Facilities Modifications and the West Atlantic Street Sanitary Sewer Replacement as approved with the adoption of the City's FY15 Budget.

He recommended that Council adopt the resolution authorizing issuance of the 2014B General Obligation Bond and accepting Carter Bank & Trust's proposal to finance the aforementioned projects.

Mayor Person welcomed Mr. Roland Kooch and turned the presentation over to him.

Mr. Roland Kooch reported that Davenport respectfully recommended that the City implements the 2014B Bond with Carter Bank and Trust for the following reasons:

- The Carter Bank and Trust proposal does not have any put conditions the interest rate risk that is imbedded in PNC's or SunTrust's proposal;
- Lowest 20 year fixed rate that is fixed for the life of the loan (i.e. through FY 2035);
- Straightforward proposal that can be implemented by end of November;
- Based on market conditions as of October 24, 2014, the Carter Bank and Trust proposal provides better overall results than a potential VRA pooled financing alternative; and
- Implementing a direct bank loan today based on a known rate proposal also eliminates potential interest rate risk and uncertainty of financing at a later date (i.e. VRA's Spring 2015 pooled financing).

Mayor Person thanked Roland Kooch for his attendance and presentation.

Councilman Harris made a motion to approve the recommended Financial Policy Guidelines as presented by Roland Kooch, seconded by Councilwoman Temple, which passed as follows:

Councilman Harris made a motion to adopt **Resolution No. 14-10** authorizing issuance of the 2014B General Obligation Bond and accepting Carter Bank & Trust's proposal to finance the aforementioned projects, seconded by Councilwoman Mercer, which passed as follows:

14-76. Public-Private Education Facilities and Infrastructure Act of 2020 (PPEA) Guidelines – Request to Adopt

Mr. Thrower stated that the renovation and reuse of the old elementary school auditorium are listed as priority item in the strategic plan adopted May 6, 2014. He also stated that over the last few months, staff had been working with developers who have expressed interest in submitting reuse proposals for consideration.

Mr. Thrower stated that it was recommended that the City utilizes Public-Private Education Facilities and Infrastructure Act of 2002 (PPEA) guidelines to review and evaluate any proposals for the reuse of the building. He also stated that this process enabled the City to avoid spending public funds unless Council determines there is a need for a proposed project.

Mr. Thrower advised that the PPEA guidelines provide a path for developers to submit a proposal, a mechanism for the City to solicit additional proposals, and a process to evaluate any such proposals. He also advised that the proposed guidelines are based on the model state guidelines and have been reviewed by the City Attorney.

He recommended that Council approve the resolution adopting the PPEA Guidelines.

Councilwoman Temple made a motion to adopt **Resolution No. 14-09** adopting the Public-Private Education Facilities and Infrastructure Act of 2002 (PPEA) Guidelines, seconded by Councilwoman Mercer, which passed as follows:

14-77. Resolution of Support for Construction of and Access to the Atlantic Coast Pipeline – Request to Adopt

Mr. Thrower reported that Dominion Resources was proceeding with plans to construct a major natural-gas pipeline, otherwise known as the Atlantic Coast Pipeline (ACP), in the region. He also reported that the ACP would originate in West Virginia and run through Virginia, including Greensville County, into North Carolina.

Mr. Thrower stated that the Virginia’s Growth Alliance (VGA) had requested that all member localities adopt resolutions of support for the project. He also stated that the construction of this pipeline will increase customers’ accessibility to natural gas and greatly enhance economic development opportunities in our region.

He recommended that Council adopt the resolution of support for the construction of and access to the Atlantic Coast Pipeline. He stated that if approved, the resolution would be distributed to various representatives and regulatory agencies.

Councilman Ewing made a motion to adopt **Resolution No. 14-08** of support for Construction of and Access to the Atlantic Coast Pipeline, seconded by Councilman Harris, which passed as follows:

| | |

14-78. East Atlantic Street Reconstruction Project – Request to Adopt VDOT Revenue Sharing Resolution

Mr. Thrower reported that the City had been working with the Virginia Department of Transportation (VDOT) and Jeff Robinson & Associates on the resurfacing and widening of East Atlantic Street for a number of years. He also reported that the approval for the project plans has

been received from VDOT and the Federal Department of Highways. He further reported that the project was bid in September. He stated that the sole bid received was \$1,035,890.00, which is \$383,094.00 over the engineer's estimate.

Mr. Thrower stated that after discussing options with VDOT, the City rejected the sole bid. He also stated that the City anticipated rebidding this project in early 2015. He further stated that VDOT also reviewed the funding sources and recommended that the City applied for additional revenue sharing funds. He reported that the total project cost was estimated at \$1,273,202.00. He also reported that the Staff was requesting Council authorization to apply for \$294,890.00 from the VDOT Revenue Sharing Fund. He further reported that this would require a \$294,890.00 match by the City.

He recommended that Council approve the resolution authorizing submittal of an application for VDOT Revenue Sharing Funds in the amount of \$294,890.00 for the East Atlantic Street Reconstruction Project. He also recommended that Council authorize the City Manager to execute all required agreements with VDOT for the funding.

Councilwoman Carey made a motion to approve **Resolution No. 14-11** authorizing the submission of an application for allocation of funds through the Virginia Department of Transportation fiscal year 2015-16 Revenue Sharing Program for Improvements to East Atlantic Street, seconded by Councilwoman Mercer, which passed as follows:

14-79. EAGLES Scholarship Initiative – Request by Mayor Person

Mayor Person reported that the Southside Virginia Education Center (SVEC) Board of Directors requested that the Emporia City Council and Greensville County Board of Supervisors each approve \$10,000.00 in funding for the EAGLES Scholarship Initiative. She also reported that the graduating seniors from Greensville County High School would be eligible to receive scholarship funds to attend Southside Virginia Community College, should this program move forward. She further stated the funds would not be needed until July 2015 to fund the Scholarship program. She stated that the approval was needed now, in advance of the normal budgetary process so that the Scholarship program can be announced for the spring and awarded in May to the graduating seniors. She also stated that a yearly appropriation by the two governing bodies would go far in fulfilling the higher educational needs within the community. She further stated that it appears that the SVEC Board plans on making this an annual request to both governing bodies.

Mr. Thrower stated that he does not recommend that Council approve this request at this time primarily due to the fact that Council would be violating the Financial Policy Guidelines just adopted at the October 21, 2014 meeting. He also stated that the Financial Policy Guideline #5 under Budget Development Policies states, "Budget requests after the budgetary process and adopting of the annual budget shall be considered in the next budget cycle, unless such request is

deemed an emergency or provides a material benefit that affects the operations of the City government.” He further stated that approving a request from an external organization outside of the normal budgeting process sets bad precedent and is an unwise budgeting practice. He reported that should Council agree with the recommendation no action is required.

Councilwoman Temple made a motion to support the EAGLES Scholarship Initiative, seconded by Councilwoman Mercer, which passed as follows:

| | |
|-------------------------------|---------|
| Councilman F. Woodrow Harris | nay |
| Councilman James E. Ewing | nay |
| Councilwoman Deborah D. Lynch | nay |

14-80. Farmers Market Advisory Board Expirations – Honorable Doris White/Mike Allen

Mr. Thrower stated that on November 30, 2014 the four-year terms of Mr. Mike Allen and Council Member Doris White on the City’s Farmers Market Advisory Board would expire. He also stated that Council Member White stated that she does not wish to be considered for reappointment. He further stated that Mr. Allen had stated that he does wish to be considered for reappointment.

Mayor Person stated that Council Member Doris White seat be held until the December 2, 2014 Council meeting.

Councilwoman Temple made a motion to reappoint Mike Allen to serve another four-years term on the Farmers Market Advisory Board seconded by Councilwoman Mercer, which passed as follows:

| | |

14-81. City School Board – Term Expirations

Mr. Thrower stated that on December 31, 2014, the four-year terms of Mrs. Denise Parker and Ms. Marva Dunn on the City School Board will expire. He also stated that a notice would be published in the local newspaper indicating that a public hearing will be conducted on December 2, 2014 concerning this matter. He further stated that both individuals indicated that they do wish to be considered for reappointment.

He reported that no action was required during this time. He also reported that Council, will be requested to appoint an individual to this on December 16, 2014.

14-82. Greenville County School Board – Term Expiration

Mr. Thrower stated that on December 31, 2014, Ms. Marva Dunn’s four-year term on the Greenville County School Board will expire. He also stated that a notice would be published in the local newspaper indicating that a public hearing will be conducted on December 2, 2014 concerning this matter. He further stated that Ms. Dunn indicated that she does wish to be considered for reappointment.

He reported that no action was required during this time. He also reported that Council, will be requested to appoint an individual to this on December 16, 2014.

14-83. City Leave Policy – Request by Council Member Harris

Councilman Harris made a motion to authorize a Public Hearing at the December 2, 2014 Council meeting concerning the City Leave Policy and also for the City Manager to share with the employees a written description of the proposal changes, seconded by Councilman Ewing, which passed as follows:

| | |
